_____ **PURCHASE VEHICLE STICKER \$10.00** Separate check for vehicle sticker, PLEASE

Please be advised: vehicle stickers for Elders are in short supply relative to our needs as a group. The Wristband Subcommittee has attempted many times over the years to increase the number of vehicle stickers available to Elders. However, the Elders group is still only able to obtain half the number of Elder Wristbands in vehicle stickers, the same percentage that is applied to other groups, crews, and booths. And this number does not include companion wristbands. For example, if 500 elders purchase wristbands, we are allowed 250 vehicle stickers. Period. We have argued that people with disabilities make up a larger percentage of our group and that we should be permitted greater than 50% in vehicle stickers to accommodate them, but THE FAIR MAKES NO SPECIAL ALLOWANCE OR ACCOMMODATION FOR ELDERS WITH DISABILITIES WHO NEED AN ON-SITE VEHICLE STICKER. If you are denied a requested vehicle sticker, we will provide alternatives for off-site parking. Based on first-come, first-served, you may be put on a waiting list for an on-site vehicle sticker. Last year, everyone on the waiting list was able to obtain an on-site vehicle sticker. We sincerely apologize for the hardships we know this situation causes, and we will update this information if anything changes as we approach the 2016 Fair.

_____ **COMPASSION PASS REQUEST** due to Disabilities or Financial Hardship.

_____ **ELDER FUND:** Last year, Elder Fund contributions were able to assist 33 Elders to obtain their wristbands. Your generosity continues to be greatly appreciated. Thank You!
